THE INSTITUTION OF ENGINEERS (INDIA) - IEI COMPLETE KNOWLEDGE BASE

Institution Overview

****The Institution of Engineers (India) [IEI]**** - The world's largest multi-disciplinary professional body of engineers encompassing 15 distinct core engineering divisions.

****Founded:**** September 13, 1920 | ****Status:**** Statutory Body Corporate under Article 372 of the Constitution of India | ****Incorporation:**** Royal Charter granted on September 9, 1935, by King George V.

****Corporate Members:**** 2,00,000+ Corporate Members | ****Non-Corporate Members:**** 661,000+ | ****Institutional Members:**** 760+

****Current President (2026):**** Mr Kothari Manish Mahendra (FIE), Aerospace Engineering Division

****Global Headquarters:**** 8 Gokhale Road, Kolkata - 700020, West Bengal, India

****Official Website:**** <https://www.ieindia.org/>

****State & Local Centres:**** 124 centres across India | ****Student Chapters:**** 1,300+

Mission, Vision & Core Objectives

****Mission:**** Promote the general advancement of engineering science, technology, and practice in all their multi-disciplinary branches across India and global sectors.

****Vision:**** Establish global engineering leadership by acting as the foundational apex body for technical benchmarking, non-formal education, policy advisement, and community modernization.

****Core Objectives:****

- Advance the development and practical application of engineering and multidisciplinary research.
- Frame and enforce strict ethical frameworks and professional standards (IEI Code of Ethics).
- Deliver accessible, cost-effective non-formal engineering degree and skill certification paths.
- Facilitate cross-border collaboration and mutual global professional recognition.

Historic Milestones

****1920:**** Established on September 13 under the Indian Companies Act, 1913.

****1921:**** Formally inaugurated on February 23 by Lord Chelmsford, Viceroy and Governor General of India. Sir Rajendra Nath Mookherjee served as the Inaugural President.

****1928:**** Pioneered non-formal engineering evaluation tracks.

****1935:**** Granted Royal Charter of Incorporation by King George V on September 9.

****1947:**** Transitioned post-Independence as a "Body Corporate" protected under Article 372 of the Constitution of India.

****Present:**** Recognized as SIRO (Scientific and Industrial Research Organization) with 15 engineering divisions. Recognized by NCVET as Awarding Body (Dual) with PAN India jurisdiction.

15 Engineering Divisions

1. Aerospace Engineering Division
2. Agricultural Engineering Division
3. Architectural Engineering Division
4. Chemical Engineering Division
5. Civil Engineering Division
6. Computer Engineering Division
7. Electrical Engineering Division
8. Electronics and Telecommunication Engineering Division
9. Environmental Engineering Division
10. Marine Engineering Division

11. Mechanical Engineering Division
12. Metallurgical and Materials Engineering Division
13. Mining Engineering Division
14. Production Engineering Division
15. Textile Engineering Division

Membership Classifications

A. Corporate Membership (Lifetime)

****Fellow (FIE)**** — Highest corporate grade, eligible to use "FIE"

- Age: Minimum 40 years
- Qualification: BE/BTech/ME/MTech or IEI Sections A&B Exam
- Experience: 15 years post-qualification in high responsibility positions
- Private sector: Salary ≥ ₹2 Lakhs/month (or US\$3,000/month abroad)
- Government sector: Rank of Superintending Engineer or above; or Executive Engineer with 20 years post-qualification experience
- Enrollment Fee: ₹24,780 INR (India) | ₹1,05,000 INR (abroad)
- Upgrade from AMIE to FIE: ₹19,116 INR | Upgrade from MIE to FIE: ₹14,396 INR

****Member (MIE)**** — Senior grade, eligible to use "MIE"

- Age: Minimum 30 years
- Qualification: BE/BTech/ME/MTech or IEI Exam
- Experience: 8 years post-qualification (employed) / 10 years (self-employed)
- Enrollment Fee: ₹12,980 INR (India) | ₹98,250 INR (abroad)
- Upgrade from AMIE to MIE: ₹7,316 INR

****Associate Member (AMIE)**** — Initial corporate grade, eligible to use "AMIE"

- Age: Minimum 21 years
- Qualification: BE/BTech/ME/MTech or IEI Exam
- Enrollment Fee: ₹7,080 INR (India) | ₹54,375 INR (abroad)

B. Non-Corporate Membership

****Student Member (SMIE)****

- For students pursuing BE/BTech (AICTE/UGC approved)
- Enrollment Fee: ₹1,499.78 INR (India) | ₹11,250 INR (abroad)
- Valid for 6 years from enrollment

****Member Technologist (MTIE)****

- Age: 32 years minimum
- Qualification: Diploma/BSc (PCM) + relevant PG degree
- Experience: 10 years in engineering/industry
- Enrollment Fee: ₹4,012 INR | ₹33,000 INR (abroad)

****Associate Member Technologist (AMTIE)****

- Age: 26 years minimum
- Qualification: Diploma/BSc (PCM) + relevant PG degree
- Experience: 5 years in engineering/industry
- Enrollment Fee: ₹3,481 INR | ₹28,500 INR (abroad)

****Institutional Member (IM)****

- Any public/local body, registered company, firm, or individual
- Fee: ₹2,95,000 (GST included) — lifetime membership

- Benefits: Free e-access to IEI Springer Journals, 5 free library cards, technical collaboration support, use of Institution premises, research grant opportunities, guest house access for staff

C. Upgrade Fees

- AMIE → Fellow: ₹19,116 INR | ₹61,500 INR (abroad)
- AMIE → Member: ₹7,316 INR | ₹54,750 INR (abroad)
- Member → Fellow: ₹14,396 INR | ₹26,400 INR (abroad)

****Hard copy application:**** Additional handling charge ₹200 + GST

****Send to:**** Membership Department, The Institution of Engineers (India), 8 Gokhale Road, Kolkata-700020

****Email:**** membership@ieindia.org

Processing Time & Post-Enrollment

- Corporate member (FIE/MIE/AMIE): ~2 months from acknowledgement date
- Non-corporate Student Members: ~3 months
- SMS acknowledgement within 7 working days of receiving documents
- IVRS to check status: 033-40155400 (quote 12-digit reference number)
- Letter of election sent by email after enrollment
- Photo ID card and membership certificate dispatched by registered post within 2 months

Benefits of IEI Membership

****Benefits available across AMIE / MIE / FIE:****

- Post-nominal letters (AMIE/MIE/FIE)
- Chartered Engineer Certification
- International Professional Engineers Certification for Mobility
- R&D Grant-in-Aid access
- Monthly e-newsletters (IEI News, IEI Epitome)
- Participation in Continual Professional Development (CPD)
- IEI Library Network access
- Free access to IEI Springer Journals online
- Discount on hardcopy IEI Springer Journals
- Discounted rate for IEI technical events
- Awards and Prizes eligibility
- Guest House access (53 locations pan-India)
- Arbitration Panel participation
- Participation in IEI Council
- Corporate Air Travel Benefit (Ebix Travels Pvt Ltd)
- Samsung e-Store access at concessional rates
- Job Corner — curated engineering job portal
- Professional Engineering Certification
- Availing merchandise items

Online Application Links

- Corporate Membership (FIE/MIE/AMIE): <https://ieindia.org/webui/IEI-RegistrationForMembApp.aspx>
- Student Membership (SMIE): https://www.ieindia.org/webui/IEI_RegistrationForSMIE.aspx
- Examination Application: <https://www.ieindia.org/AdminUI/IEI-ExaminationApplicationFrm.aspx>
- General Registration: <https://ipanel.ieindia.org/webui/IEI-Registration.aspx>

Professional Certifications

****Chartered Engineer (CEng/CE):****

- Available to any corporate member (FIE/MIE/AMIE) with minimum 5 years post-qualification experience
- New application fee: ₹29,500 including GST
- Renewal fee: ₹5,900 including GST
- Recognized by High Courts, custom cells, banking boards for independent valuation
- Useful for empanelment as Valuer or Loss Assessor with banks, insurance companies, government bodies

****Professional Engineer (PE):****

- Eligibility: BE/BTech or equivalent, recognized by Statutory Authority or Govt of India
- Minimum 5 years experience required
- Must be a member of a recognized professional society
- Must have maintained continuous professional development
- Apply to: PE Cell, The Institution of Engineers (India), 8 Gokhale Road, Kolkata-700020

****International Professional Engineer (IntPE / Int.P.Eng. India):****

- India has been a full member of the International Professional Engineers Agreement (IPEA) since 2009
- Facilitates global engineering mobility across member jurisdictions
- Member countries include: Australia, Canada, Chinese Taipei, Ireland, Hong Kong, Japan, Korea, Malaysia, New Zealand, Singapore, South Africa, Sri Lanka, UK, USA
- Provisional Members: Bangladesh, Pakistan, Russia, Holland
- Benefits: Recognition across member economies, suitability for higher responsibility, enables independent engineering consultancy

Arbitration Services

The Royal Charter mandates IEI to:

"Arrange and promote the adoption of equitable forms of contracts and encourage settlement of disputes by arbitration and to act as or nominate arbitrators and umpires."

- Elite central panel of experienced Arbitrators selected from Fellow corporate members
- Resolves complex industrial and engineering disputes legally

Non-Formal Education — AMIE Examinations

IEI is the historic pioneer of non-formal, distance engineering education in India.

****The AMIE Examination Structure:****

- Conducted twice annually: Summer (June) and Winter (December)
- ****Section A:**** Foundational sciences — applicable for Senior Technician Members only
- ****Section B:**** Branch-specific specialization — for existing Technician and Senior Technician Members who completed Section A or are exempted

****Current Status:****

- Fresh admission/enrollment in Section A & B is put on hold till further notification (as of 2026)
- Only candidates enrolled till 31 May 2013 are eligible

****Recent Announcements:****

- Summer 2025 Results: Published

- Winter 2025 Exam: Application open
- Summer 2025 Grade Cards: Dispatched

****Engineering Disciplines available in Section B:****

- Chemical Engineering [CH 404]
- Civil Engineering [CV 405]
- Computer Science Engineering [CP 406]
- Electrical Engineering [EL 407]
- Electronics & Communication Engineering [ET 408]
- Mechanical Engineering [MC 411]
- Material Science & Metallurgical Engineering [MM 412]
- Mining Engineering [MN 413]
- Production Engineering [PR 414]
- Textile Engineering [TX 415]

****Equivalence & Credentials:****

- Recognized as equivalent to BE degree by Ministry of Education, Govt of India
- Accepted by UPSC for government service
- IIM Ahmedabad accepts AMIE passouts for PG Programme
- IIT Bombay accepts AMIE passouts for PG Programme
- AICTE has approved AMIE pass-outs with ME/MTech for teaching assignments
- MHRD recognized 15 courses of Sections A & B
- Validated by Foreign Credential Service of America as formal BSc in Engineering
- Evaluated by UK-NARIC as equivalent to British Bachelor's Honours degree

****AMIE Exam Contact:****

- Phone: 033-40106253 / 033-40106248

****WARNING:**** Only use official website www.ieindia.org for AMIE information. Websites like amieindia.in, amiestudy.com, amiestudycircle.com, and modulation.in are NOT authorized by IEI.

IEI Accreditation

- IEI has accredited engineering disciplines since 1939 (first: BSc Eng at Punjab University)
- Over 1,200 courses accredited in 400+ leading institutions including IITs, NITs, deemed universities, private engineering colleges
- Until formation of AICTE (1987) and NBA (1994), IEI played pivotal role in recognizing degree and diploma programs
- IEI accreditation ensures compliance with statutory requirements, strengthens institutional systems, serves as preparatory step for NBA (Tier-I) accreditation

Research Grant-in-Aid

IEI is recognized as a Scientific and Industrial Research Organization (SIRO).

****Grant Categories:****

Category	Max Grant	Duration
Undergraduate (UG)	₹50,000	Up to 9 months
Postgraduate (PG)	₹1,00,000	Up to 12 months
Doctoral (PhD)	₹1,50,000	Up to 36 months

****Eligibility:****

- UG: Institute must be Institutional Member. Guide must be AMIE/MIE/FIE. Student must be SMIE.

- PG: Institute must be Institutional Member. Guide must be MIE/FIE. Student must be AMIE/MIE/FIE.
- PhD: Institute must be Institutional Member. Guide must be MIE/FIE. Student must be AMIE/MIE/FIE.

****Apply to:**** Deputy Director (Technical), The Institution of Engineers (India), 8 Gokhale Road, Kolkata-700020

Technical Events & Activities

****National Convention:****

- Apex technical activity of each Engineering Division
- Organized annually by respective Division Board
- Held on a theme divided into sub-themes
- Hosted by state and local centres across India

****All India One Day Seminar & Workshop:****

- Organized as sponsored technical activities under Engineering Divisions
- Held on various engineering topics
- Hosted by different state and local centres

****IEI Technical Webinar:****

- Organized on contemporary topics in engineering and technology
- In association with industries and academic institutions
- Powered by National Skill Development Forum (NSDF), Shimla
- Known as 'Centenary Technical Webinar'
- Webinar Hosting Guidelines, Proposal Format, Flyer Format, Report Format available for download

****Technical Activity Guidelines:****

- Available at: <https://ipanel.ieindia.org/webui/IEI-TAGuidelines.html>
- Activity types: All India Seminar, Indian Engineering Congress, International Conference, National Convention, One Day Seminar, Quarterly Technical Activities, Statutory Day, Technical Webinar

Statutory Days (observed by all IEI Centres)

- ****4 March:**** World Engineering Day for Sustainable Development (UNESCO)
- ****22 March:**** World Water Day (UN)
- ****5 April:**** National Maritime Day (commemorates SS Loyalty's voyage, 1919)
- ****17 May:**** World Telecommunication and Information Society Day (ITU)
- ****5 June:**** World Environment Day (UNEP)
- ****9 September:**** Royal Charter Day (IEI incorporated 1935)
- ****15 September:**** Engineer's Day (birthday of Bharat Ratna Sir M. Visvesvaraya)

Publications

****IEI Springer Journals**** (co-publishing agreement signed 10 August 2011 with Springer India):

- ****Series A:**** Civil, Architectural, Environmental, Agricultural Engineering — Published: March, June, September, December
- ****Series B:**** Mechanical, Production, Aerospace, Marine Engineering
- ****Series C:**** Computer, Electrical, Electronics & Telecommunication Engineering
- ****Series D:**** Metallurgical & Materials, Mining, Chemical Engineering
- ****Series E:**** Agricultural, Textile Engineering

****Other Publications:****

- **IEI News:** Monthly four-colour tabloid with reports of technical activities, forthcoming programs, and announcements
- **IEI Epitome:** Monthly e-Newsletter for Corporate and Institutional Members to share achievements, success stories, publications
- **Annual Technical Volume:** Published by respective Engineering Division Board on invited papers from eminent engineers
- **Books available:** The Legacy, Engineering for the Future, Flash Floods Challenges, Monograph, Tech Book Combating COVID19
- **Compendium on R&D Projects**
- **Annual Reports**
- **Proceedings of Indian Engineering Congress, National Conventions, International Conferences**

Awards & Recognitions

Industry Excellence Award (IEA):

- Instituted in 2008 to recognize industry leaders for innovation and excellence
- Past recipients include: TCS, SAIL, Tata Motors, L&T, Neyveli Lignite, BHEL, NTPC, HAL, JK Tyre, MECON, NBCC, Goa Shipyard
- 2026 nominations open

Engineering Education Excellence Award (EEEE):

- Recognizes leading Engineering Educational Institutions
- 2026 nominations open

IEI Young Engineers Award (YEA):

- For engineers under 35 years (women engineers under 37 years) as of March 31, 2025
- Must be Corporate Member of IEI or applied for membership
- Presented for all 15 Engineering Divisions during National Conventions
- Award: Plaque and Certificate
- Travel (AC-3 Tier by shortest route) and accommodation reimbursed for awardees attending National Convention
- 2026 notification available

Prize for Best Papers in IEI Springer Journals

The SAIL Awards:

- Two gold medals — "Dr M Visvesvaraya Memorial Gold Medal" — donated by Hindustan Steel Limited (now SAIL) during Golden Jubilee (1970)

Coal India Awards

NDRF Awards (National Design and Research Forum)

Honorary Life Fellows (HLF)

- **Prof C. N. R. Rao** — Renowned Chemical Scientist, Bharat Ratna
- **Dr E. Sreedharan** — Iconic "Metro Man" of India
- **Dr K. Radhakrishnan** — Former Chairman of ISRO
- **Dr S. Somanath** — Space Visionary & Chairman of ISRO
- **Dr V. Narayanan** — Top Aerospace Engineer & Liquid Propulsion Expert
- **Mr Nitin Jairam Gadkari** — Architect of National Highway Interconnectivity

IEI Council (2026)

- **President:** Mr Kothari Manish Mahendra (FIE) — Aerospace Engineering
- **Immediate Past President:** Mr V B Singh (FIE) — Civil Engineering
- **Past President:** Dr G Ranganath (FIE) — Mechanical Engineering
- **Vice President:** Mr Sajjan Singh Yadav (FIE) — Mechanical Engineering
- **Vice President:** Mr Lochan Kumar Adhikari (FIE) — Mechanical Engineering
- Council has members from all 15 engineering divisions across India

Specialized Fora & Educational Organs

- **Engineering Staff College of India (ESCI), Hyderabad:** Primary CPD organ. Delivers continuing professional development, simulations, and technical capacity-building.
- **National Design and Research Forum (NDRF), Bengaluru:** Encourages innovative design engineering, structural prototyping, and architectural advancements.
- **National Skill Development Forum (NSDF), Shimla:** Coordinates technical training, national vocational benchmarks, and skill development tracks. Hosts Centenary Technical Webinars.
- **Rural Development Forum (RDF), Kolkata:** Drives technological solutions for rural infrastructure and processing efficiency.
- **Safety and Quality Forum (SQF), New Delhi:** Establishes benchmarks for industrial safety management and quality control.
- **Sustainable Development Forum (SDF), Patna:** Evaluates green energy technologies and zero-waste transitions.
- **Water Management Forum (WMF), Ahmedabad:** Promotes advanced water resource allocation and irrigation optimization.

Network & International Presence

Domestic Network:

- 124 State and Local Centres across India
- 1,300+ Student Chapters
- 700+ Institutional Members

Guest Houses:

- 53 locations pan-India
- Available to Corporate Members and Institutional Member staff
- Located in: Kolkata, Vijayawada, Guwahati, Patna, Delhi, Ahmedabad, Karnal, Shimla, Ranchi, Bangalore, Thiruvananthapuram, Bhopal, Mumbai, Bhubaneswar, Chandigarh, Jaipur, Agartala, Dehradun, Lucknow, and 34+ more cities

Overseas Chapters:

- Qatar, UAE, and other global tech zones
- 6 operational overseas chapters

International Representations:

- World Federation of Engineering Organizations (WFEO)
- World Mining Congress (WMC)
- Commonwealth Engineers' Council (CEC)
- Federation Internationale du Beton (fib)
- International Professional Engineers Agreement (IPEA) — member since 2009
- Bilateral agreements with 41 major foreign engineering institutions (USA, UK, Japan, Germany, and others)

Student Chapters

****How to Open a Student Chapter:****

- Initial request to Deputy Director (Membership) of IEI
- For Electronics & Telecom / Computer Engineering branches: minimum 50 students required
- For other branches: minimum 30 students required
- For Polytechnic: minimum 50 students required (one chapter per polytechnic)

****Student Chapter Fees:****

- Degree Engineering College — First Year: ₹644 (incl. GST) | Share to College: ₹360 | Share to IEI HQ: ₹284
- Polytechnic — First Year: ₹536 (incl. GST) | Share to College: ₹300 | Share to IEI HQ: ₹236
- Payment by multi-city Cheque/Demand Draft in favour of "The Institution of Engineers (India)", payable at Kolkata

****Benefits of Student Chapters:****

- Participate in technical events (Seminars, Workshops, National Conventions)
- Host technical programs, Paper Presentation, Model Presentation, Startup Programs
- Library access at IEI State/Local Centres
- Networking with IEI members and industry professionals
- Scholarships and awards (cash prizes for top-performing chapters)
- Students' Chapter Newsletter (published bimonthly)
- Publish research articles in Students' Journal (released December)
- Eligible to become Corporate Member after graduation

****Students' Journal Publications:****

- Volume 1, Volume 2, Volume 3 available for download

FAQ Highlights

****Membership Application:****

- Forms available at IEI State/Local Centres or downloadable from website
- Hard copy signed by supporter (FIE/MIE/AMIE) with valid membership number
- Documents attested by supporter who signed the form
- Remittance by Demand Draft in favour of "The Institution of Engineers (India)", payable at Kolkata
- Send to: Director (Membership), 8 Gokhale Road, Kolkata 700020

****Corporate Member Privileges:****

- Chartered Engineer certificate on payment of requisite fee
- IEI journals, technical monographs, papers, conference proceedings
- IEI News and Technorama free of cost
- Access to Engineering Information Service Centre (EISC) at HQ and state/local centres
- Participation in continuing education at ESCI Hyderabad
- Participation in seminars, symposia, conventions, workshops, lectures at national, regional, local levels
- International conference participation
- Benefits from 27 foreign professional bodies with bilateral relationships
- Opportunity to act as arbitrators in engineering disputes
- Publish articles in IEI journals
- Concessional rates at retiring rooms at HQ and Centres
- Letter of election issued after enrollment listing all privileges

Contact Information

****IEI Headquarters:****

The Institution of Engineers (India)
8 Gokhale Road, Kolkata - 700020, West Bengal, India

****Phone Numbers:****

- AMIE / Section A & B Exam: 033-40106253 / 033-40106248
- Membership Status / IVRS: 033-40155400 / 033-40106269 / 033-40106299 / 033-40106302

****Email:****

- Membership: membership@ieindia.org

****Website:**** <https://www.ieindia.org/>
